

Keep your Voice Alive with LSVT LOUD®!

This is the *only* voice and speech treatment with over 25 years of research, giving people with Parkinson's results they can count on.

Join us for a FREE interactive seminar on LSVT LOUD!

People with PD, family members, friends, caregivers, and other healthcare professionals are welcome to attend the presentation.

LSVT LOUD provides a solution to the voice and speech problems that approximately 89% of people with PD may experience.

New to LSVT LOUD?

- Learn the basics of this Parkinson's specific program.
- Unlock your potential to reverse changes in your voice caused by PD so you can be heard and understood clearly by family, friends and at work.
- Not experiencing any changes in your voice or speech? Learn how LSVT LOUD will help you maintain your strong, clear voice!

LSVT LOUD Graduate?

- Get the latest updates on our research and resources for people with PD.
- Or- skip the seminar and brush up on your LSVT LOUD skills by joining us for the free interactive exercise session.

When: September 15, 2019
12:00 – 1:00 PM: Seminar and refreshments
1:00 – 2:00 PM: Interactive exercise (optional & open to all levels of functioning)

Where: Rancho Los Amigos National Rehabilitation Center
Community Disorders Dept., Harriman Building, Rm. 222
7601 E Imperial Hwy.
Downey, California, 90242

RSVP: Email: info@lsvtglobal.com; Direct: 520-867-8838; Toll Free: 888-438-5788

This seminar is FREE of charge.

Note for healthcare professionals: While you are welcome to attend the one-hour informational seminar, it is not offered for CEUs or certification. The interactive exercise session is limited to people with Parkinson's only.
